

## Celeb Hairstylist Naz Kupelian and Nancy O'Dell Talk Hair

If you get your hair done in the area, you probably know the **Naz Kupelian Salon** in Lexington. Well Mazel to Naz, who was interviewed with **Entertainment Tonight** and **RUSK** Spokesperson **Nancy O'Dell** at **ISSE Salon & Spa Expo** in California. (ISSE is one of the premier beauty shows in the world, or basically, my fantasyland.) **Nancy O'Dell** presented the new "Being Sexy" hair care product line by **RUSK International** at the event. Congrats, Naz!
