Lexington salon offers 'Fall Trends Package' to rejuvenate old 'dos with the latest looks

For this year's Boston Fashion Week, whether you're primping for one of the big runway shows, or simply updating your 'do for a night in with close friends, the experts at Naz Kupelian Salon will help you transform your look. From September 25 through October 2, Naz Kupelian Salon, home of International Hair Artist Naz Kupelian, will help you get in on the hottest hair styles with its Fall Trends Package.

While it takes more than just a T ride getting to the salon, which is located in Lexington just a short drive away from Burlington Mall, the trip is well worth the travel by car. This salon could arguably be one of the best-kept secrets outside of Boston proper, offering a variety of unique spa treatments like its Beauty V8 Fruit Facial, alongside cutting-edge hair services conducted by an expert staff led by Kupelian himself. As a Platform Artist with the elite Rusk Design Team, Kupelian stays abreast of the latest industry trends and balances those looks with each customer's personal style preferences.

The salon's Fall Trends Package is designed to keep you up to date on the latest hair trends, making your mop a crave-worthy accessory in and of itself. The package includes:

- **Rusk Pro Elements Keratin Deep Conditioner Hair Treatment:** This treatment is designed to fully hydrate the hair follicles by saturating each strand with essential vitamins and complex proteins for a healthy scalp and head of hair.
- **Hair Cut & Finish:** After a brief consultation with a stylist, you will receive a personalized haircut and styling. Your new look will compliment your personal style for a perfect makeover.

The total cost of the package is \$120.00.
